

SYNTHÈSE D'ARTICLE

PAUL SIMORRE

---

***Drone-Based System for Localization of  
People Inside Buildings***

**Piotr Kaniewski, Tomasz Kraszewski, Military University of  
Technology, Faculty of Electronics, Institute of  
Radioelectronics, Warsaw, Poland**

# **1 Introduction**

## **1.1 State of the art**

## **1.2 Project's goals**

## **1.3 Development of the project**

## **1.4 Technical approach and contribution**

# **2 Global description of the system**

# **3 Technical means and algorithms**

# **4 Results of experiments**

# **5 Limits of the project**

# **6 Possible evolutions**

# **7 Bibliography**
